Fort King Heritage Association

The Fort King Heritage Association, Inc. is a Florida not-for-profit corporation formed to protect, preserve and develop the history of Fort King. The Association serves as a citizen support group to cultivate and sustain a public private partnership with private donors and our local, state and federal governments. The Association answers to, and is authorized by, the Marion County Commission and Ocala City Council.

We are also in need of volunteers as docents, trail guides, community outreach, etc. Volunteers go through a training program and must submit to the City Of Ocala Volunteer background checks. If you are interested in being a volunteer, call Fort King at (352) 368-5533.
