

*We're going to build a fort  
...and we need your help!*

The Fort King Heritage Association, Inc., a non-profit advisory board to Ocala and Marion County, is rebuilding historic Fort King on its original site at 3925 East Fort King Street (1 block east of SE 36th Avenue).

This park, now open free-of-charge seven days a week, has a beautiful one-mile Interpretive Walking Trail, a spring where the soldiers retrieved their drinking water, a small creek, picnic tables, and a Visitor's Center complete with artifacts and period displays.

So, what's missing? The Fort! The most significant fort of the Second Seminole War 1835-1842. Two years after the war, Fort King was designated the county seat of newly created Marion County... and Ocala was born!

Now, we need *your* help! It took 600 of these logs to construct the 150' x 150' palisades of Fort King. Actual logs were approximately 12" in diameter and 18' long. Each log was then split lengthwise, placed 2-3 feet into the ground and secured with horizontally nailed batten. Logs were debarked to reduce insect and fire hazards. We are giving you, your family, club and/or organization the opportunity to purchase a log and be a part of Ocala/Marion County's history. In return, you receive a commemorative log, your name engraved on a plaque inside the Visitor's Center, and other recognition items based on your level of giving.

Log shown smaller than actual size of 1 3/4" x 9".
